Subject: MOU(s) Between Kaiser Permanente and Los Angeles County  
Disaster Communications Service

Dear Mr Mariotti,

This letter is in regards to any Memorandum of Understanding (MOU) between Kaiser Permanente and The Los Angeles County Disaster Communications Service (LACDCS). Over the past few months, DCS has gone through a change in administration. During this period LACDCS discovered that we do not have a copy of the MOU. It has also come to our attention that Kaiser is no longer in need of our repeater as evidenced by the Golden Guardian Drill of 2008. Over the last year DCS has become painfully aware how busy our repeaters will be in an emergency. To that end, and effective immediately, any such MOU(s) are canceled by LACDCS and are considered null and void.

LACDCS appreciates the relationship that has developed over the years with Kaiser.

If you have any questions regarding this matter please contact me.

Best regards,

Debby Miles
