Duane --

As discussed on the phone. The following is our out-dated "contract" re leasing the space on Santiago Peak. My understanding that we will be pursuing a "legal" agreement once the specifics are worked out.

Robin,

Have attempted to call you without success.

Can you send me whatever agreement KP has for Santiago so I can review and determine the technical things (who can work, how we access, etc) for this site.

I will try to call you on Wednesday.

Thanks in advance for your assistance.
